## PLUNGE ON VERONESE.

"Father Bill" Daly Wins a Race-Fillies in a Bumping Match.

[BY TRLEGRAPH TO THE TRIBUNE.]

Saratoga, N. Y., Aug. 18.-A rough and tumble finish between Tangle and Whimsical in a sprint for fillies was the only incident at the track this afternoon that disturbed the usual lassitude of Friday racing, unless the victory of one of "Father Bill" Daly's horses be ex-

It is so long now since "the green above the red" has been a disquieting factor in the dope student's problems that when it is brought home in front it can almost be classified under the head of a sensation.

The colt that carried the familiar colors in this instance was Veronese, a Henry of Navarre that has shown some class since he was introduced to the public last spring at Aqueduct. The race he wen and that in which Whimsical and Tangle bumped each other all through the stretch proved the liveliest speculative mediums

Tangle and Whimsical were practically equal choices in a field of eight two-year-old fillies that were asked to go five and a half furlongs. As seen as the stretch was reached the two demonstrated the astuteness of both players and layers by drawing away from the field and fighting it out between themselves. Both ran head and head from the eighth pole, and both humned and shouldered each other repeatedly.

Shaw, who rode Tangle, was on the inside and found it impossible to use his whip. Martin, on Whimsical, had no such handicap, and by desperate riding landed his mount a scant nose in front at the deciding post. Shaw complained to the stewards that Whimsical had borne in upon him, but as both filles appeared to be equally to blame, the claim of foul was

In the absence of "Father Bill" Daly, who is racing some castoffs at the Parkway Driving Club meeting, at Gravesend, with his customary advice to "play him all three ways," the clubouse plungers discovered by employing the of entirely unknown method of throwing out races that Veronese had an excellent chance of beating such youngsters as Sly Ben, Lady Navarre and a couple of others, and the commissions that they sent in on him made the ring wince and then rub.

The wager of P. H. McCarren and his following, however, on Siy Ben helped to buoy the price against the good thing, and, although the prices were lowered until 5 to 1 was accepted, the Ben Strome colt went to the post the actual favorite.

Miller got Veronese away flying, and kept FIRST RACE—Selling; for three-year-olds; \$600 added. him in front all the way, while the plungers twisten themselves into bow knots "riding his home." The efforts were repaid, as neither Lad Navarre nor Sly Ben could catch him in th The running of the Seneca, a selling stak

Willie Shaw cheated the starter so flagrant

ly in the fifth race that Mr. Cassidy se him down for the balance of the meeting. He seemed to get away at least six lengths in front of his field.

R. Angarola ran his gelding, D'Arkle, in two races this afternoon, and unished outside the money in each. It is the first attempt at re-peating that has been made this year.

## FAVORITES LOSE AT LATONIA.

New-York Gelding Wins Free-for-All at Poughkeepsie.

Poughkeepsie, N. Y., Aug. 18.-Horsemen who have followed the Grand Circuit are of the opinion that the races at the Hudson River Driving Park this afternoon were the best of the season. The three heats of the 2:06 pace. one in 2:04 and the others in 2:04%, constituted the three fastest heats on the Grand Circuit this season. They also lowered the pacing record of the track.

For the third time this week the trotting race record of the track was broken. The new mark of 2:0614 was made by Tiverton in the free-forall. This race, the most important of the meeting, brought out the Grand Circuit rivals, Tiverton and Sweet Marie, with George G. and

Only one favorite was successful in getting first money to-day. That was in the 3:24 trot, in which Albert C. was favorite at \$25 to \$15 for the field. The favorite was not good enough for the first two heats, which went to Gateway, but Albert C. got his gait fit the third, and won the required heats, every one of which had an exciting finish between the place winners.

Frank Yokum was favorite in the 2:05 pace, at \$25 to \$12, and won one of three close heats, but Baron Gratton showed the better speed by small margins in the first and third heats.

Lizzie G. was favorite, at \$25 to \$11. She was a good second in three straight heats of the 2:18 trot. Four races are scheduled for to-morrow.
